Certificate amendment record

Date	Description
21/06/2022	Correction of model identification in page 2.
15/06/2022	Initial issue

Conditions attached to the issue of this certificate:

- The manufacturer / authorised representative shall undertake to fulfil the obligations arising out
 of the Personal Protective Equipment Regulation (EU) 2016/425, and with INSPEC's
 Regulations governing this Module.
- 2. The manufacturer / authorised representative shall inform INSPEC of any planned changes to the product or technical file which may affect the validity of this certificate, before any such change is made.
- Marking and instructions have been assessed in the English language only. It is the
 manufacturer's / authorised representative's responsibility to obtain and supply language
 versions acceptable to the country where the product is to be sold.
- 4. For category III product, the manufacturer must obtain and maintain an approval decision to Module C2 or Module D prior to placing product on the Union market.
- 5. This certificate remains the property of INSPEC and may be withdrawn if any of the conditions attached to its issue are not complied with.
- 6. This certificate may be copied or reproduced by the certificate holder, complete and without omissions or additions, and in accordance with INSPEC's terms of business.
