

## FS053K

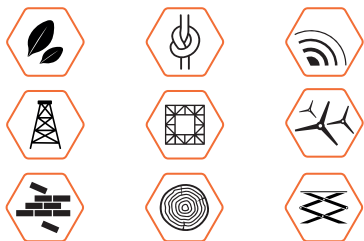

### GRIPPA WP LANYARD

EN358

FALL SAFE® FS053K - GRIPPA WORK POSITIONING LANYARD is a lanyard for work positioning with a length adjuster Grippa in aluminium with ergo grip.

FS053K is made with Technora rope 11 mm (static) and its ends are protected by a plastic sheath.

A work positioning lanyard should be used to prevent a user from accessing an area where there is a risk of falling.
